PRIVACY POLICY

T Bank Limited collects personally identifiable information (PII) from customers and employees for purposes such as account creation, loan processing, identity verification, customer service interactions, and providing updates on products and services.

The bank does not disclose customer and employee PII to third parties or engage in cross-border data sharing, except when required by regulators, government bodies, and law enforcement agencies. Any sharing of PII by other entities is subject to compliance with relevant laws and guidelines.

The bank implements measures to safeguard personal information from unauthorized disclosure. While the bank endeavors to prevent unauthorized access to personal data, absolute security cannot be guaranteed. Customers are advised to use secure online platforms, strong passwords, and secure browsers, and to report any unauthorized access to the bank immediately.

The Bank respects customer privacy by offering various rights, including access to personal data, withdrawal of consent, objection to data processing, correction of data, data deletion, data portability, restriction of processing, protection against automated decision-making, and the right to file complaints.

Personal information is securely stored for a minimum of 10 years, after which it is destroyed. The bank does not share, sell, or rent PII but may store it with third parties. Third parties must respect data security and treat it lawfully.

Ihereby confirm that I have read privacy policy of T Bank Limited.
